

## **Congressman Charlie Dent:**

On Tuesday, November 6<sup>th</sup>, there is an important choice for our community in the election for State Senate. I am writing to ask for your support of Pat Browne. Pat has proven during his service in Harrisburg that he is a leader who is committed to working for “us” in adopting solutions which have and will make a positive lasting impact on our community.

Having served with Pat during his service in state government, I have come to appreciate his unwavering commitment to always putting the interests of his constituents and our community first before any personal political ambitions.

He is well known in the state capitol for his ability to bring all parties together, putting partisan differences aside and collaborating in the passage of responsible solutions to Pennsylvania’s most pressing challenges. This approach has made Pat one of the most effective legislators in Lehigh Valley history, having passed over 50 bills into law during his service to our community. These measures have reduced taxes, advanced more effective solutions for education funding, expanded access to health care, promoted government accountability and revitalized urban communities not only in the Lehigh Valley but throughout Pennsylvania.

By re-electing Pat Browne, we will continue to have a public servant in Harrisburg that always puts us first and is dedicated to always doing the job we elected him to do. Pat Browne, through his hard work and effective service, has proven that he understands that our trust and support must be earned and not taken for granted.

On November 6<sup>th</sup>, please join me in my enthusiastic support for Pat Browne as our State Senator. A public servant who works for us. A public servant we can trust.

Sincerely yours:
